Note: Back side is prayer requests/praises for the month, including health concerns

Prayer is the most necessary action, the greatest gift, the hardest spiritual labor, as well the simplest cry of a loving heart.
 The time that you spend in prayer has an eternal impact on the lives of men and women throughout our church, community and world.
 Through prayer our world is changed, closed the doors and opened, resistant people are made receptive, leaders are put down and raised up,
 And the kingdom of our Lord Jesus Christ is extended.
 Mat 18:19: “I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by my Father in heaven”
